

You can play bridge games on Bridge Base Online, www.bridgebase.com/v3/) called "**SUPPORT YOUR CLUBS**" and earn ACBL black masterpoints. When you play in this specific game, you will be supporting your favorite club and insuring that they can weather the storm and reopen when this is all over. You do not need to let us know when you played. The system knows where you play most often and will automatically support that club each time you play, if they ever give you an option to choose a club to support, I hope you choose Bridge Boardroom club# 239343.

Please go to the link below from the ACBL as well to get the scoop:

<https://www.acbl.org/clubsupportonlinegames/>

Before you can play, you need to choose what device you will use, then follow these instructions:

To play from a **COMPUTER (Recommended)**, go to www.Bridgebase.com and become a member

To play from your **TABLET**, go to www.Bridgebase.com on the web or go to your APP STORE and download "Bridge Base Online" and play on their app

To play from your **SMARTPHONE**, go to your APP STORE and download "Bridge Base Online"

Playing online is just a few clicks away:

- Register an account on bridgebase.com and make a small profile.
- If possible take the tutorials and use the help section to learn your way around if you are new to BBO(Bridge Base Online) or on line bridge.
- Tell your friends your screen names and get theirs so you can play with each other or watch/talk to each other online. This is much like emails and texting. If you have questions call Edward 717-434-3298
